# 'FRISCO FEELS SUGAR SLUMP

SAN FRANCISCO, Cal.—Heavy declines in local sugar stocks have reflected the anxiety that the recent suggestion of free sugar has occasioned on the coast. Most of the leading houses, including the Hawaiian standards, have caused off under the stress of selling that the news from Washington has prompted. While this feeling is apparent among many holders of the sugar stocks, it is not shared by the insiders. Among the largest owners of sugar shares there has been no disposition to sell.

As a matter of fact, the Eastern markets have taken a course directly contrary to those on the Pacific. Upon receipt of the information that the House contemplated a bill cutting free sugar, the large interests in the East were not disposed to part with the smallest fraction of their holdings. Strangely enough, American beet sugar stock has advanced two points, while the wheat from the capital have been humming with the threat of thorough revision of the schedules.

There is a strong confidence among the men in the local sugar market, as well as those in the East, that any bill that aims to place sugar on the free list has small chance of becoming a law at this time. The attitude of the President has not been taken into account by those who have become startled by the tentative suggestions that have emanated from the House.

## STOCK EXCHANGE EXPRESSES SYMPATHY

The Honolulu Stock and Bond Exchange has passed the following resolution:

"Resolved, That the members of the Honolulu Stock and Bond Exchange desire to express their sorrow at the death of Mr. James F. Morgan, an honored member of the Exchange.

"Mr. Morgan was prominent among those who organized this Exchange and was one of the charter members, and has ever since been an active and efficient member and for a number of years was president of the organization. By his ability, energy and integrity he added strength to the organization and has been instrumental in promoting its interest. He has ever stood for that which he believed would be for the best interest of the organization and of the community of these islands, and as a citizen he has rendered valuable public service.

"The members of the Honolulu Stock and Bond Exchange desire to express their appreciation of the service which Mr. Morgan has rendered, and to record their sense of the great loss which has been sustained by the death of their colleague.

"Resolved, That a copy of this resolution be spread upon the minutes of this meeting and a copy sent to the family of our deceased friend."

## SAY MAIL SERVICE IS CHEAP BUT INEFFICIENT

The handling of mails that resulted in only first-class mail and registered letter pouches arriving on the Siberia yesterday has brought protests from so many business men that the commercial organizations may take it up and send formal objections to Washington. The second-class mail, including all the newspaper mail, magazines and this class of matter, is on the transport Thomas, which left San Francisco almost the same time as the Siberia.

Yesterday afternoon, when the full inconvenience of the situation was realized, there were many clicks, and the Chamber of Commerce and Merchants' Association will probably both take the matter up.

## RECEPTION PLANNED FOR BUTLERS TONIGHT

An informal reception will be given at the Methodist Church this evening in honor of Mr. and Mrs. Fred Butler, who arrived by the Siberia yesterday, beginning at 8 o'clock. It is under the auspices of the five English churches of Honolulu. There will be a musical program in which Mr. Butler will sing.

Tomorrow night all those who will sing in the Christian Extension Movement choir will meet with Mr. Butler at the Central Union Church for choral organization.

There will be a meeting at the Davies Memorial Hall, St. Andrew's Cathedral, on Wednesday evening. Rev. R. T. Smith will address those attending.

## BADEN-POWELL COMING

It is fully expected that General Baden-Powell, the great English organizer of the Boy Scout movement, will pay a visit to Honolulu in May, stopping for a day on his way to Australia. He is at present on his way to Canada and expects to depart from the Northwest on one of the Canadian-Australian steamers. The local Boy Scouts will give him a royal welcome.

The price of lead has declined four-tenths of a cent a pound since the Underwood steel tariff revision bill passed the House, according to lead producers.
